DR. PALMER IS DEAD THE END OF THE WAR

Dies of Wounds from a Street Car Accident at New Orleans.

A NOTED MINISTER.

He Was the Recognized Leader of the Southern Branch of Presbyterians and a Champion of Southern Cause in the Civil War.

New Orleans, May 29.—Dr. B. M. Palmer died Wednesday afternoon from injuries received by being run down early on the afternoon of Monday, May 5, by a Carrollton avenue street car.

When the venerable minister was run down he was dragged fully a block. His right big toe was cut off, two gashes were inflicted in forehead, one on either side, and his right leg broken in two places just above the ankle.

Rev. Dr. B. M. Palmer was born in Charleston, S. C., Jan. 25, 1818, son of Dr. Edward Palmer, who, after 60 years of service in the church, died in 1882, at the age of 92. Dr. Palmer passed his boyhood at McPhersonville, and was sent to Amherst College when only 13 years of age. There he met Henry Ward Beecher, then a student in a higher class, and the two became fast friends. At the age of 15 he returned to South Carolina and taught for two years, thence matriculating at the University of Georgia, whence he graduated in 1838 and entered the Theological seminary at Columbia. In 1841 he was licensed and entered upon a career destined to make him famous as a preacher. Shortly after his ordination he was called to the First Presbyterian church of Savannah, Ga., taking with him his bride, Mary Augusta McConnelly.

In 1843, he went to the First Presbyterian church in Columbia, S. C., remaining there until 1857 when he came to New Orleans. In 1847 he established the Southern Presbyterian Review, which he edited for a number of years, winning wide fame, and in 1860, was elected to the chair of pastoral theology in the seminary at Princeton university, though he declined the election. Many other flattering offers were made to him throughout his career, including the pulpit of Dr. Alexander's church in New York, but all these offers he refused, preferring to remain with his old congregation in New Orleans.

Dr. Palmer was one of the strongest Presbyterian leaders of the south in the pulpit immediately preceding and during the civil war and on Thanksgiving day, 1860, preached his famous secession sermon in this city. In 1861, when the southern churches withdrew from the Presbyterian assembly at Philadelphia, and met at Augusta, Ga. Palmer was chosen as moderator, taking his place as head of the southern Presbyterian church. His service in the army was irregular but his intimacy with Gen. Polk and Gen. Beauregard helped to turn his attention to the spiritual necessities of the troops and at one time he had full charge of detailing the southern ministers in the army of Tennessee. Dr. Palmer was a profoundly impressive orator and his reputation as a preacher was national. His church here, the First Presbyterian, has probably been visited by more strangers, drawn by his reputation as a pulpit orator, than any church in the south. Two years ago Dr. Palmer delivered a notable oration at the Louisville reunion of the United Confederate veterans. Dr. Palmer's wife died in 1898. He had six children, only one of whom is living.

FIGHT AT PRIMARIES.

A Row at Savannah Between Political Clubs and Several Injured.

Savannah, Ga., May 29.—At the white county primaries here today for representatives to the legislature and county offices, there was seven fighting. Several people were injured, but nobody was killed.

Conflicting Union and Citizens club or the administration forces, met at the court house and at once began to fight.

Citizens club followers had been informed a fighter been imported to whip John Garrity, one of their workers and when the man resting under that suspicion arrived, he was set upon and beaten severely. The fighting far time was general.

Population of Paris.

Paris, Tex., May 29.—The new city directory of Paris, just issued, contains 5834 names, an increase of 2381 as shown by the directory of three years ago, the last published. Applying the multiple of three, generally believed to represent the names of women and children who are not included in a directory canvas, this would give Paris a population of 17,502. The publishers are satisfied that their estimate of the population will be found to be correct.

Mr. Balfour Says He Hopes to Make on Monday Next the Announcement That Peace Now Expected in That Country.

London, May 29.—The British cabinet was speedily summoned Wednesday night and sat for a little over an hour. It is generally accepted that the session put the final touches on an agreement which will terminate the South African war.

Colonial Secretary, Joseph Chamberlain, was sufficiently recovered from his indisposition to attend what is already designated as the "peace cabinet."

The government leader, A. J. Balfour, announced in the house of commons this morning that he hoped to be able on Monday next to announce the result of peace negotiations in South Africa.

"I cannot, however, be absolutely certain of being in a position to do so, and until the statement can be made, I do not think it expedient to take up the budget."

In spite of Balfour's pretended uncertainty, there is no doubt whatever in the house of commons or elsewhere, that full peace settlement will be announced on Monday next. The capture of Commandant Malan, announced from Middleburg, Cape Colony, Wednesday night, renews attention to the activity of the rebellion in Cape Colony.

Commandant Malan took the late Commandant Scheepers' command, when the latter was captured by the British and became chief Boer commandant in Cape Colony after Commandant Krüger's capture.

Malan, who was mortally wounded, when captured by Major Collett's mounted troops, was among the irreconcilables who refused to send delegates to the peace conference at Vereeniging, Transvaal.

According to the latest uncensored correspondence from Cape Town, the Boers are still in constant occupation of at least 22 different localities in Cape Colony, having more than a score of bands raiders, mounted and armed and of sufficient mobility to defy successful pursuit, although the British have often swept and "cleared" every mile of the Colony's territory.

THE COAL STRIKE.

Operators Swearing in Special Police to Cope With Strikers.

Pottsville, Pa., May 29.—Coal companies in this section are gathering special policemen to protect their property and in the event of a conflict on Monday next they will have a large body of men in the field.

It is known that a strike of pump men, engineers and firemen is inevitable.

Strike leaders are protesting against such action as unnecessary. They say there will be no violence on the part of the strikers unless they are forced to protect themselves.

Coal Famine in New York.

New York, May 29.—According to retail coal dealers this city has entered upon the first day of its real anthracite coal famine, since the strike of miners. Not a cargo is in sight in the markets. The stocks of many of the yards are depleted entirely by the severe drain of the last two weeks and nowhere, except in the yards of the railroads, where coal is hoarded by the thousands of tons, can be had even a glimpse of the mineral.

Want to See Bank's Books.

Austin, May 29.—The legislature investigating committee has addressed a letter A. S. Vandervoort, cashier of the First National bank of Austin, asking him to bring the books of the bank before the committee for the purpose of making an investigation in connection with matters concerning the state's money in the bank at the time of its failure. Mr. Vandervoort was seen and stated he had not as yet received the letter and would not determine what he would do until he got the letter.

Two Men Seriously Wounded.

New York, May 29.—Police men attracted by shouts of alarmed residents in an apartment building at 50 Second avenue, broke the door of one of the flats and found J. S. Keldain, a dealer in cigarettes, lying on the floor with his skull crushed. In the adjoining room, was N. Caraman, a tobacco merchant, shot through the head. The police believe he attempted to kill Keldain and then shot himself. Both will die.

Famine in Russia Serious.

St. Petersburg, May 29.—The situation of famine stricken peasants continues to grow worse. In 241 villages of Minhelinsk district, government of Gorka, 6815 cases of scurvy have been

The Big Mill Remnant Sale.

The Emory's mill remnant sale opened yesterday morning at 9 o'clock at Wagner & Brandon's and proved to be a stupendous success from the very outset. The store was literally packed with people all day and the force of thirty clerks was unable to wait on the trade without some delay. The green tickets are seen in every department and the goods are piled out in reach of the customer and marked in plain figures. There is hardly any limit to the number of the bargains offered. The automobile delivery is a novel and attractive feature of the sale which will last ten days.

Prosecution for O'Brien.

Washington, May 29.—Senator Lodge, chairman of the senate committee on Philippines says that the witness, O'Brien, whose testimony before that committee reflected severely upon Capt. McDonald and other army officers, will be prosecuted by the proper officers on the charge of perjury. The exact course of proceeding has not been decided upon, but it is understood that O'Brien testimony, together with that of McDonald, in contradiction of it, will be certified to the attorney general and that the official will be requested to take necessary steps to secure a legal inquiry into the matter in accordance with the request of Capt. McDonald.

Cherokees Must Enroll.

Muskogee, I. T., May 29.—At a special sitting of the court Joseph A. Gill issued an order citing all Cherokees who are not on the rolls of the Dawes commission to enroll at once. The commission has four enrolling parties among the full-bloods, with orders to close the rolls for the final allotment of lands. The new order empowers the detachment to take officers with them and force enrollment or put the Indians in jail. The roll of Cherokees will be closed July 1.

PHILIPPINES BILL.

Final Vote Will Be Taken on the Measure Next Tuesday.

Washington, May 29.—An agreement has been reached in the senate by which a final vote on the pending Philippine government bill will be taken next Tuesday at 4 p. m. Burrows of Michigan explained the bill at length Wednesday and urged its enactment, maintaining that it would advance the interests and promote the prosperity of the islands.

When the senate convened the clerk read an announcement from the acting president pro tempore, Mr. Platt of Connecticut, appointing Mr. Gallinger of New Hampshire to act as president pro tempore at the session. On account of the absence of many senators, who were in attendance upon the funeral of Lord Pauncefoot, the senate took a recess until 2 o'clock.

When the senate re-convened at 2 o'clock Mr. Warren presented the report on the omnibus public building bill and it was agreed to.

A bill was passed providing for the occupancy by the Grand Army of the Republic of the new public printing building during the national encampment in October.

The house spent Wednesday debating the bill to increase the subsidiary coinage by coining the silver bullion in the treasury and to recoin standard silver dollars as the public necessities may require. The limit of subsidiary coinage is now \$100,000,000. The bill increases this to an indefinite amount in the discretion of the secretary of the treasury. The bill aroused the opposition of the Democrats, who claimed it was only a step in the direction of the complete striking down of the silver dollar.

Mr. Newlands of Nevada finally offered an amendment to make subsidiary silver a legal tender and this amendment was pending when the house adjourned.

PUBLIC BUILDINGS.

Senate Bill Secures an Increase for Several Texas Towns.

Washington, May 29.—The Mercer omnibus public building bill has been agreed on in conference. The bill carried \$15,800,000 when it left the house. The senate added \$3,200,000. In conference the senate amendments were reduced about \$1,200,000. Among the items in controversy, as finally settled, are the following:

Beaumont, Tex., limit increased to \$165,000.
Dallas, Tex., total increase \$150,000.
Guthrie, and Oklahoma City, O. T., \$50,000 each.
Batesville, Ark., increased to \$70,000.
Gainesville, Tex., \$70,000.
Albuquerque, N. M., \$110,000.
Nacogdoches, La., \$50,000.
Sherman, Tex., increased \$125,000.
Biloxi, Miss., increased to \$125,000.
Laredo, Tex., increased \$150,000.

Postmasters' Salaries Fixed.

Washington, May 29.—Under the annual readjustment of presidential postmasters' salaries these increases in Texas were announced: San Angelo, \$2000 to \$2100; Soguin, \$1700 to \$1800; Sulphur Springs, \$1700 to \$1800; Taylor, \$200 to \$2100; Terrell, \$2200 to \$2300; Vernon, \$1700 to \$1800; Weimar, \$1100 to \$1200; West, \$1100 to \$1200; Wharton, \$1400 to \$1500; Winsboro, \$1300 to \$1400; Wolfe City, \$1400 to \$1500; Yoakum, \$1700 to \$1800.

Captain Henry J. May, quartermaster, has been relieved from temporary duty as assistant to the chief quartermaster, department of Texas, and as post quartermaster from Fort Sam Houston and ordered to Fort Bayard, N. M., for treatment in the general hospital at that place.

Presidential Appointments.

Washington, May 29.—The president has sent the following nominations of postmaster to the senate:
Homer S. Williams, Cisco, Tex.
George C. Clifford, San Antonio, Tex.
John Beatty, Waxahachie, Tex.
William H. Hilton, Durant, I. T.
Thomas F. Addington, Yukon, O. T.

Wood Reaches Washington.

Washington, May 29.—Gen. Wood, until recently military governor of Cuba, arrived here Wednesday on the government transport Kanawha. He will have a full conference with President Roosevelt and Secretary Root regarding Cuban affairs later. It is expected that Gen. Wood will be detained in this city for at least six weeks, closing up the affairs of the Cuban military government.

Against Time for Statehood Bill.

Washington, May 29.—The senate committee on territories has decided by a formal vote against fixing any time for the consideration of the omnibus statehood bill.

Bill Agreed to.

Washington, May 29.—In the senate the conference report on the river and harbor bill was presented and without comment agreed to.

Railroads Charged With Combining.

Memphis, Tenn., May 29.—The following railroads have been indicted by the federal grand jury for violation of section 5 of the interstate commerce act in entering into an alleged agreement to divide the cotton shipped from this point: The Illinois Central, Louisville and Nashville, Iron Mountain, Frisco, Southern and the Nashville, Chattanooga and St. Louis.

The Cameron Heirs Won.

Austin, May 29.—The supreme court has reversed and rendered a decision in the case of executors and heirs of William Cameron vs. the State of Texas involving 10,476 acres of land formerly in Greer county, now in Linn county. The supreme court holds that Cameron heirs are entitled to the land which was purchased when Greer county was a part of Texas.

The Big Mill Remnant Sale.

The Emory's mill remnant sale opened yesterday morning at 9 o'clock at Wagner & Brandon's and proved to be a stupendous success from the very outset. The store was literally packed with people all day and the force of thirty clerks was unable to wait on the trade without some delay. The green tickets are seen in every department and the goods are piled out in reach of the customer and marked in plain figures. There is hardly any limit to the number of the bargains offered. The automobile delivery is a novel and attractive feature of the sale which will last ten days.

Prosecution for O'Brien.

Washington, May 29.—Senator Lodge, chairman of the senate committee on Philippines says that the witness, O'Brien, whose testimony before that committee reflected severely upon Capt. McDonald and other army officers, will be prosecuted by the proper officers on the charge of perjury. The exact course of proceeding has not been decided upon, but it is understood that O'Brien testimony, together with that of McDonald, in contradiction of it, will be certified to the attorney general and that the official will be requested to take necessary steps to secure a legal inquiry into the matter in accordance with the request of Capt. McDonald.

Cherokees Must Enroll.

Muskogee, I. T., May 29.—At a special sitting of the court Joseph A. Gill issued an order citing all Cherokees who are not on the rolls of the Dawes commission to enroll at once. The commission has four enrolling parties among the full-bloods, with orders to close the rolls for the final allotment of lands. The new order empowers the detachment to take officers with them and force enrollment or put the Indians in jail. The roll of Cherokees will be closed July 1.

Flood in Panhandle.

Memphis, Tenn., May 29.—The heaviest rain in the history of this country, accompanied by terrific wind, hail and lightning, visited this place the past two nights. Bridges were washed away as well as sidewalks. The Parker creek railroad bridge was badly damaged two miles south of here. The track was washed away. Telephone and telegraph lines and fences are destroyed. Red river bridge at Estelline is in bad shape. No trains are expected for several days.

PHILIPPINES BILL.

Final Vote Will Be Taken on the Measure Next Tuesday.

Washington, May 29.—An agreement has been reached in the senate by which a final vote on the pending Philippine government bill will be taken next Tuesday at 4 p. m. Burrows of Michigan explained the bill at length Wednesday and urged its enactment, maintaining that it would advance the interests and promote the prosperity of the islands.

When the senate convened the clerk read an announcement from the acting president pro tempore, Mr. Platt of Connecticut, appointing Mr. Gallinger of New Hampshire to act as president pro tempore at the session. On account of the absence of many senators, who were in attendance upon the funeral of Lord Pauncefoot, the senate took a recess until 2 o'clock.

When the senate re-convened at 2 o'clock Mr. Warren presented the report on the omnibus public building bill and it was agreed to.

A bill was passed providing for the occupancy by the Grand Army of the Republic of the new public printing building during the national encampment in October.

The house spent Wednesday debating the bill to increase the subsidiary coinage by coining the silver bullion in the treasury and to recoin standard silver dollars as the public necessities may require. The limit of subsidiary coinage is now \$100,000,000. The bill increases this to an indefinite amount in the discretion of the secretary of the treasury. The bill aroused the opposition of the Democrats, who claimed it was only a step in the direction of the complete striking down of the silver dollar.

Mr. Newlands of Nevada finally offered an amendment to make subsidiary silver a legal tender and this amendment was pending when the house adjourned.

PUBLIC BUILDINGS.

Senate Bill Secures an Increase for Several Texas Towns.

Washington, May 29.—The Mercer omnibus public building bill has been agreed on in conference. The bill carried \$15,800,000 when it left the house. The senate added \$3,200,000. In conference the senate amendments were reduced about \$1,200,000. Among the items in controversy, as finally settled, are the following:

Beaumont, Tex., limit increased to \$165,000.
Dallas, Tex., total increase \$150,000.
Guthrie, and Oklahoma City, O. T., \$50,000 each.
Batesville, Ark., increased to \$70,000.
Gainesville, Tex., \$70,000.
Albuquerque, N. M., \$110,000.
Nagatoches, La., \$5000.
Sherman, Tex., increased \$125,000.
Biloxi, Miss., increased to \$125,000.
Laredo, Tex., increased \$150,000.

Postmasters' Salaries Fixed.

Washington, May 29.—Under the annual readjustment of presidential postmasters' salaries these increases in Texas were announced: San Angelo, \$2000 to \$2100; Seguin, \$1700 to \$1800; Sulphur Springs, \$1700 to \$1800; Taylor, \$200 to \$2100; Terrell, \$2200 to \$2300; Vernon, \$1700 to \$1800; Weimar, \$1100 to \$1200; West, \$1100 to \$1200; Wharton, \$1400 to \$1500; Winsboro, \$1300 to \$1400; Wolfe City, \$1400 to \$1500; Yoakum, \$1700 to \$1800.
Captain Henry J. May, quartermaster, has been relieved from temporary duty as assistant to the chief quartermaster, department of Texas, and as post quartermaster from Fort Sam Houston and ordered to Fort Bayard, N. M., for treatment in the general hospital at that place.

Presidential Appointments.

Washington, May 29.—The president has sent the following nominations of postmaster to the senate:
Homer S. Williams, Cisco, Tex.
George C. Clifford, San Antonio, Tex.
John Beatty, Waxahachie, Tex.
William H. Hilton, Durant, I. T.
Thomas F. Addington, Yukon, O. T.

Wood Reaches Washington.

Washington, May 29.—Gen. Wood, until recently military governor of Cuba, arrived here Wednesday on the government transport Kanawha. He will have a full conference with President Roosevelt and Secretary Root regarding Cuban affairs later. It is expected that Gen. Wood will be detained in this city for at least six weeks, closing up the affairs of the Cuban military government.

Against Time for Statehood Bill.

Washington, May 29.—The senate committee on territories has decided by a formal vote against fixing any time for the consideration of the omnibus statehood bill.

Bill Agreed to.

Washington, May 29.—In the senate the conference report on the river and harbor bill was presented and without comment agreed to.

ALLEN ACADEMY.

Interesting Exercises by Undergraduates
And Graduates Last Night.

The fifteenth annual session of
Allen Academy closed with appro-
priate and highly entertaining public
exercises by the undergraduates at
the opera house last night. The
decorations were in keeping with the
occasion and lent beauty and fresh-
ness to the scene. The house was
crowded with an appreciative and
responsive audience, and it is not
saying too much to state that all the
young men acquitted themselves
most creditably.

The exercises opened with prayer
by Rev. E. L. Shettles, after which
there were a series of debates on in-
teresting topics. The subjects
and speakers in the contests
are given below:

Was English Justifiable in Exiling
the Academics?—Affirmative: Bert
Aldis; Negative: George Chance.

Resolved, That Enoch Arden
Should Have Made Himself Known
to His Family on His Return Home.
—Affirmative, George Skains; Neg-
ative, Aubrey Foreman.

Should a Young Man Enter Poli-
tics?—Affirmative, Roy Buchanan;
Negative, Mac Green.

No decisions were rendered on the
debates, the merits of the speeches
being left the judgement of the au-
dience.

The debates by the undergraduates
were followed by the concluding
part of the program devoted to the
graduates, Messrs. Henry Hudspeth,
Osborn Johnson and James Grant,
each of whom delivered an oration.
Mr. Hudspeth's subject was "America
Abroad;" Mr. Johnson's, "The
Era of the Young Man;" Mr. Grant's,
"Industrial Texas." The addresses
were along broad lines of the best
modern thought, the products of well
trained and studious minds. The
program was interspersed through-
out with musical numbers by Messrs.
Albert H. Dailey, Santiago Cerna and
Hardy Newton.

Two handsome gold medals and a
scholarship were awarded after the
addresses had been concluded. The
senior scholarship medal, given by
Dr. Paul M. Roy for the best aver-
age work for the entire year, was
awarded to Osborn S. Johnson, pre-
sentation by Dr. Friley. The junior
scholarship medal, given by the
principals of the school, Profs. J. H.
and R. O. Allen, under the same con-
ditions, went to Claude Michell Jr.,
and was presented by Dr. West. The
scholarship in the Southwestern Uni-
versity at Georgetown was awarded
to Henry Hudspeth, who took the
highest course, including four years
in Latin and two years each in Greek
and German, and distinguished him-
self in all of them.

Diplomas were presented to the
graduates after which the list of
students distinguished in the vari-
ous branches was read. Pupils whose
names were mentioned in this list
have made a general average of 90 or
more during the entire term, taking
all examinations.

The growth and popularity of this
school is shown by the enrollment
for the past three years. In 1899 the
enrollment was 65, in 1900 it was 74
and in 1901-2 it is 89. A number of
pupils have been enrolled for next
year including eight from Mexico.

The Eagle has received the pro-
gram of the seventeenth annual ri-
union of the Alumni association of
the Agricultural and Mechanical
college. The business meeting will
be held in the society hall at 2 p. m.,
Monday, June 9, and the public ex-
ercises at the assembly hall at 8:30
p. m. Dr. David F. Houston will de-
liver the welcome address, and Cadet
T. R. Batte Jr., will welcome the
alumni in behalf of the first class.
Prof. P. S. Tilson, president of the
Alumni association will deliver the
response, R. C. Watkins of Houston
will make the Alumni address, and
Hon. Rosser Thomas of Bonham will
be orator of the occasion. Music will
intersperse the program.

was told to hit the road and did so.
He was dirty and disheveled, with

that he came from the oil region. He

Knowles' kitchen Wednesday night
while the servants were busy with
their supper and began grabbing
things from the table in desperate
haste. The negroes chased him out
and Mr. Knowles joined in the pur-
suit, soon rounding up the hungry
man who was taken back to the house
and given his supper, after which he
was told to hit the road and did so.
He was dirty and disheveled, with
drawn face, and had little say except
that he came from the oil region. He
certainly must have appreciated the
leniency of Mr. Knowles in humanely
feeding him and sending him on his way.

ALLEN ACADEMY.

Interesting Exercises by Undergraduates
And Graduates Last Night.

The fifteenth annual session of
Allen Academy closed with appropri-
ate and highly entertaining public
exercises by the undergraduates at
the opera house last night. The
decorations were in keeping with the
occasion and lent beauty and fresh-
ness to the scene. The house was
crowded with an appreciative and
responsive audience, and it is not
saying too much to state that all the
young men acquitted themselves
most creditably.

The exercises opened with prayer
by Rev. E. L. Shettles, after which
there were a series of debates on in-
teresting topics. The subjects
and speakers in the contests
are given below:

Was English Justifiable in Exiling
the Academics?—Affirmative: Bert
Aldis; Negative: George Chance.

Resolved, That Enoch Arden
Should Have Made Himself Known
to His Family on His Return Home.
—Affirmative, George Skains; Nega-
tive, Aubrey Foreman.

Should a Young Man Enter Poli-
tics?—Affirmative, Roy Buchanan;
Negative, Mac Green.

No decisions were rendered on the
debates, the merits of the speeches
being left the judgement of the au-
dience.

The debates by the undergraduates
were followed by the concluding
part of the program devoted to the
graduates, Messrs. Henry Hudspeth,
Osborn Johnson and James Grant,
each of whom delivered an oration.
Mr. Hudspeth's subject was "Ameri-
ca Abroad;" Mr. Johnson's, "The
Era of the Young Man;" Mr. Grant's,
"Industrial Texas." The addresses
were along broad lines of the best
modern thought, the products of well
trained and studious minds. The
program was interspersed through-
out with musical numbers by Messrs.
Albert H. Dailey, Santiago Cerna and
Hardy Newton.

Two handsome gold medals and a
scholarship were awarded after the
addresses had been concluded. The
senior scholarship medal, given by
Dr. Paul M. Royser for the best aver-
age work for the entire year, was
awarded to Osborn S. Johnson, pre-
sentation by Dr. Friley. The junior
scholarship medal, given by the
principals of the school, Profs. J. H.
and R. O. Allen, under the same con-
ditions, went to Claude Michell Jr.,
and was presented by Dr. West. The
scholarship in the Southwestern Uni-
versity at Georgetown was awarded
to Henry Hudspeth, who took the
highest course, including four years
in Latin and two years each in Greek
and German, and distinguished him-
self in all of them.

Diplomas were presented to the
graduates after which the list of
students distinguished in the vari-
ous branches was read. Pupils whose
names were mentioned in this list
have made a general average of 90 or
more during the entire term, taking
all examinations.

The growth and popularity of this
school is shown by the enrollment
for the past three years. In 1899 the
enrollment was 65, in 1900 it was 74
and in 1901-2 it is 89. A number
of pupils have been enrolled for next
year including eight from Mexico.

The Eagle has received the pro-
gram of the seventeenth annual ses-
sion of the Alumni association of
the Agricultural and Mechanical
college. The business meeting will
be held in the society hall at 2 p. m.,
Monday, June 9, and the public ex-
ercises at the assembly hall at 8:30
p. m. Dr. David F. Houston will de-
liver the welcome address, and Cadet
T. R. Batte Jr., will welcome the
alumni in behalf of the first class.
Prof. P. S. Tilson, president of the
Alumni association will deliver the
response, R. O. Watkins of Houston
will make the Alumni address, and
Hon. Rosser Thomas of Bonham will
be orator of the occasion. Music will
intersperse the program.

Lost—Between my residence and
the Christian church on the evening

DAVIS LET OUT.

Second Baptist Church Fires Him on the Charges Filed.

Little Rock, May 29.—After a lengthy discussion in the Second Baptist church Wednesday night the congregation voted to withdraw fellowship from Governor Jefferson Davis upon charges of unbecoming conduct filed some time ago. Governor Davis was not present, being out of the city. His reply to the charges was read to the congregation. One of the church members presented a written statement reiterating the charges heretofore filed, and concluding as follows: "I move you, brother moderator, that the church obey Paul's injunction to the Thessalonians, chapter 3, verse 6, and withdraw fellowship from Brother Davis without further notice." This motion prevailed on a majority vote, only five members voting in the negative.

Big Gusher at Jennings.

Jennings, La., May 29.—Southern No. 3, the big oil gusher of the Jennings oil field, was turned loose Wednesday in the presence of thousands of people, gathered from points extending from New Orleans to Houston. Beaumont sent a large delegation of her oil men to witness the exhibition and they were pleased with what they saw. When the valve was opened, the oil shot up to a height of 175 to 200 feet and gushed to this height as long as the valve was open.

Visible Forty Miles.

St. Johns, B. W. L., May 29.—The British steamer Fontainebleau from New York, for various West Indian ports, has arrived here and reports having passed St. Pierre, Martinique, during the afternoon of May 27, when vast columns of smoke and flames from Mont Pelée were visible forty miles away. Dust fell on the steamer when fifty miles from the island. The Fontainebleau had previously landed relief supplies at Fort de France.

Fire at Lake Charles.

Lake Charles, La., May 29.—Fire here destroyed the lake front residences of Jennings Gill and Mrs. T. G. Alfred, which were occupied by E. E. Gibson and W. A. Guilmet. The fire originated in Guilmet's home and the house was enveloped in flames before the fire was discovered. Mr. Guilmet was seriously injured by jumping from a second story window. Losses aggregate \$5000; insurance \$2000.

Overhead Snowstorm.

Shawnee, O. T., May 29.—A strange freak of the elements occurred here Wednesday, and one that perhaps will never be witnessed again at this season of the year. Thermometers were registering 50 degrees, the air was chilly, and what appeared to be snow clouds made the morning have a wintry aspect. Quite a number of large snowflakes reached the earth, while overhead was a veritable snow storm.

Storm in Southwest Texas.

Fort Davis, May 29.—A heavy storm of wind, rain and hail visited this vicinity. It came from the south and was heavier at Marfa than here, but there were spots between in which no hail nor rain fell. Some hailstones as large as pigeon eggs fell. Every window in town fronting south was broken. About half an inch of water fell.

Monument for Dr. English.

New York, May 29.—A committee has been appointed by the board of managers to solicit subscriptions for the erection of a suitable monument over the grave of Dr. Thomas Dunn English, the author of "Ben Bolt." Dr. English was a vice president of the society. The receipts will determine the character and stateliness of the monument.

Mrs. Seligman Dead.

New York, May 29.—Mrs. Florine Arnold Seligman, wife of Alfred H. Seligman, of the well known family of bankers, is dead in this city after an operation for the removal of a tumor. She formerly resided in San Francisco, where her husband was assistant manager of the Anglo-California bank.

Cremation Validates a Will.

New York, May 29.—According to the provisions of his will, the body of Justice George P. Andrews of the supreme court has been cremated. In his will the justice said if the provision directing cremation was not carried out, the will must be declared void.

NEWS IN BRIEF.

Great damage is being done the Texas tomato crop by worms. In some localities the loss will amount to 50 per cent.

Mrs. George Wingerter of St. Louis, Mo., committed suicide because her husband was dying of consumption.

THE OHIO REPUBLICANS

The Platform as Presented Adopted by the Convention.

HANNA MEN CONTROL

The Platform Deals With Various Subjects and Is Specific as to Retaining the Philippines and Is Against Combinations.

Cleveland, May 29.—The Republican state convention, which has been a continuous ovation here all this week to Senator Hanna, closed Wednesday evening with a great demonstration in his honor, to which he responded in a characteristic speech. The senator at former state conventions has sounded keynotes that were taken up by Republican glee clubs. He told them to sing "Keep On Letting Well Enough Alone" in the campaign rallies this year.

The convention was distinguished for harmony. One of the last reconciliations was that of Senator Hanna and former Governor Asa S. Bushnell, of Springfield. The latter had been here all week, but Bushnell and Hanna never spoke as they passed each other's quarters. They had not spoken since the memorable contest for the senatorship in 1897. Before going to the convention Wednesday they met in the most cordial manner. The delegates who "got them together" gave glowing reports around the convention hall of the way they were calling each other "Mark" and "Asa" again.

Senator Hanna and George B. Cox, of Cincinnati, also had a friendly farewell after a contest during the day over nominations.

The report made Gen. Charles H. Grosvenor permanent chairman and continued the rest of the temporary organization.

When Gov. Nash presented Gen. Grosvenor, the latter received an ovation. He addressed the convention and was vociferously applauded.

Gen. Dick, chairman committee on resolutions, then read his report. He was cheered as he proceeded, especially on reference to Roosevelt, Hanna, Foraker and Gov. Nash. On his motion the resolutions were adopted.

The platform in the opening paragraphs refers feelingly to the death of the late President McKinley and his services to the party and country; praises President Roosevelt; commends the state administration; indorses the course of Ohio senators and Republican congressmen; dilates on prevalent prosperity and attributes it to Republican policies, especially the tariff which Democratic success would threaten; declares for "fewer hours and larger rewards for labor;" urges legislation on to expedite construction of the isthmian canal; demands repression of combinations which stifle competition and control prices; congratulates the new republic of Cuba, and justifies annexation of territory since 1897.

Regarding the Philippines the platform congratulates the president and the army on satisfactory progress made there in suppressing insurrection and establishing order, and unqualifiedly endorsed the policy of the government there.

"War with Spain," it declares, "was forced on us against our will, and the Philippines came to us as a result that conflict. We are responsible for peace and order in the islands and our sovereignty must be as absolute as our responsibility. We will give their people a better government, better schools, more civil and political rights, higher civilization and broader freedom than is possible for them in any other way. Our flag is in the Philippines, and there it will remain." Regarding the army this platform says that while any instances of cruelty which may have occurred in the Philippines are to be condemned and deplored, the American army is fighting a barbarous, cruel and treacherous foe, and "we resent indignation of recent Democratic efforts to drag its honor in dust and to cast reproach on its fair name."

Then came the nominations which were as follows:

For secretary of state, L. C. Laylin was nominated without opposition and made a speech of acceptance.

Judge William J. Crow of McConnellsville was nominated for supreme judge on the fifth ballot.

William Kirtley of Defiance was nominated for member of state board of public works.

After hearing Senator Hanna's speech the convention then adjourned.

Kansas Republicans.

Wichita, Kan., May 29.—The Republican state convention Wednesday night nominated the following ticket: Governor—ex-Congressman W. J. Bailey.

Lieutenant governor—D. J. Hanna. Secretary of state—Joseph H. Barrow.

Auditor—Seth G. Wells.

Treasurer—Thomas T. Kelly.

Attorney general—C. C. Coleman.

Superintendent of insurance—L. T. Dayhoff.

Superintendent of public instruction—Charles H. Luling.

Congressman at large—C. S. Scott. The feature of the convention was the strong Roosevelt sentiment.

The friends of Mr. Bailey controlled the convention.

THE OHIO REPUBLICANS

The Platform as Presented Adopted by the Convention.

HANNA MEN CONTROL

The Platform Deals With Various Subjects and Is Specific as to Retaining the Philippines and Is Against Combinations.

Cleveland, May 29.—The Republican state convention, which has been a continuous ovation here all this week to Senator Hanna, closed Wednesday evening with a great demonstration in his honor, to which he responded in a characteristic speech. The senator at former state conventions has sounded keynotes that were taken up by Republican glee clubs. He told them to sing "Keep On Letting Well Enough Alone" in the campaign rallies this year.

The convention was distinguished for harmony. One of the last reconciliations was that of Senator Hanna and former Governor Asa S. Bushnell, of Springfield. The latter had been here all week, but Bushnell and Hanna never spoke as they passed each other's quarters. They had not spoken since the memorable contest for the senatorship in 1897. Before going to the convention Wednesday they met in the most cordial manner. The delegates who "got them together" gave glowing reports around the convention hall of the way they were calling each other "Mark" and "Asa" again.

Senator Hanna and George B. Cox, of Cincinnati, also had a friendly farewell after a contest during the day over nominations.

The report made Gen. Charles H. Grosvenor permanent chairman and continued the rest of the temporary organization.

When Gov. Nash presented Gen. Grosvenor, the latter received an ovation. He addressed the convention and was vociferously applauded.

Gen. Dick, chairman committee on resolutions, then read his report. He was cheered as he proceeded, especially on reference to Roosevelt, Hanna, Foraker and Gov. Nash. On his motion the resolutions were adopted.

The platform in the opening paragraphs refers feelingly to the death of the late President McKinley and his services to the party and country; praises President Roosevelt; commends the state administration; indorses the course of Ohio senators and Republican congressmen; dilates on prevalent prosperity and attributes it to Republican policies, especially the tariff which Democratic success would threaten; declares for "fewer hours and larger rewards for labor;" urges legislation on to expedite construction of the isthmian canal; demands repression of combinations which stifle competition and control prices; congratulates the new republic of Cuba, and justifies annexation of territory since 1897.

Regarding the Philippines the platform congratulates the president and the army on satisfactory progress made there in suppressing insurrection and establishing order, and unqualifiedly endorsed the policy of the government there.

"War with Spain," it declares, "was forced on us against our will, and the Philippines came to us as a result of that conflict. We are responsible for peace and order in the islands and our sovereignty must be as absolute as our responsibility. We will give the people a better government, better schools, more civil and political rights, higher civilization and broader freedom than is possible for them in any other way. Our flag is in the Philippines, and there it will remain." Regarding the army this platform says that while any instances of cruelty which may have occurred in the Philippines are to be condemned and deplored, the American army is fighting a barbarous, cruel and treacherous foe, and "we resent indignation of recent Democratic efforts to drag its honor in dust and to cast reproach on its fair name."

Then came the nominations which were as follows:

For secretary of state, L. C. Laylin was nominated without opposition and made a speech of acceptance.

Judge William J. Crow of McConnellsville was nominated for supreme judge on the fifth ballot.

William Kirtley of Defiance was nominated for member of state board of public works.

After hearing Senator Hanna's speech the convention then adjourned.

Kansas Republicans.

Wichita, Kan., May 29.—The Republican state convention Wednesday night nominated the following ticket: Governor—ex-Congressman W. J. Bailey.

Lieutenant governor—D. J. Hanna. Secretary of state—Joseph H. Barrow.

Auditor—Seth G. Wells. Treasurer—Thomas T. Kelly. Attorney general—C. C. Coleman.

Superintendent of insurance—F. T. Dayhoff. Superintendent of public instruction—Charles H. Luling.

Congressman at large—C. S. Scott. The feature of the convention was the strong Roosevelt sentiment.

The friends of Mr. Bailey controlled the convention.
